

MR – Multifamily District

The Multifamily Residential District is intended to provide areas of even higher density than in the Transitional Residential District. It is tied to an overall development density and is intended to provide an area of transition between the lower density Transitional Residential District and higher density districts (e.g., commercial). These areas will be developed with an urban roadway cross-section.

MR District Land Uses			
Permitted Land Uses Uses allowed without restrictions/ special approvals.	Restricted Land Uses* Uses allowed subject to certain restrictions.	Conditional Land Uses* Uses allowed with approval of a Conditional Use Permit.	Prohibited Land Uses Uses not allowed within the district.

*Refer to Restrictions and Conditions below.			

Restrictions and Conditions	
Land Use	Restrictions/Conditions
Manuf. Home	Must be located within Manufactured Home Subdivision and comply with Manufactured Home Building Unit Standards.
Manuf. Home Park	Subject to manufactured home park requirements and shall comply with Manufactured Home Building Unit Standards.
Tiny House Dev.	Subject to Tiny House Development standards and must be connected to utilities.
Child-Care Facility, Day-Care Center	Access must be taken from an arterial/collector street. Access shall facilitate safe and expedient pick-up/drop-off. Outdoor activities shall be setback 100' from residential property and enclosed by wall/fence.
Community Assembly/ Amenity	Parcel shall take access from an arterial or collector street. Parking shall be on-site. Off-site parking is allowed by shared parking agreement if within 250' and connected via a sidewalk.
Nbhd. Amenity	Property shall be owned and managed by a property owner's association and required parking shall be accommodated on-site.
Education	Parking shall be on site. Access shall facilitate safe and expedient pick-up/drop-off. Secondary school access shall be via collector/arterial road. Outdoor activities shall be setback 100' from residential property and enclosed by wall/fence.
Housing & Services for the Aging	Facilities for more than 10 residents shall take access from an arterial or collector street. No facilities shall be permitted at the intersection of two arterial streets. The owner/operator shall maintain all certification and licensing requirements by the state.
Religious Assembly	Facilities over 20,000 square feet shall take access from an arterial or collector street. Parking shall be on site.
Wireless Trans. Fac.	Wireless Transmission Facility subject to Section 4.6.6 of these regulations. Height is limited to 80'.
Recreational Vehicle (RV) Park	Recreational vehicles only allowed within an RV Park. The RV park shall be planned through a Site Development Plan; take access from an arterial/collector street with a minimum 32' driveway width; and provide centralized solid waste collection. One RV allowed per space. Each space requires a 10' x 24' parking pad constructed of concrete, asphalt, or similar material; adequate frontage on an access drive to allow loading/unloading maneuvering space; connections to potable water, sanitary sewer, and electrical power; and a permanent space number marker clearly visible day/night. RV parks may include sanitary facilities, storage buildings, or management offices. Common area amenities required based on number of units.
Fam. Hm. Childcare	100 sq. ft. outdoor open space enclosed by 6'+ building/fence/wall required per child. Max one employee outside home.
Home Enterprise	Must be incidental and secondary to residential use. Property must appear residential. Within principal structure must be less than 20% of home's livable 1 st floor or 500 sq. ft. Within accessory structure must be less than max accessory structure size allowed. No external alterations, outdoor storage, display of goods/products/services, or signage. Related parking limited to residential driveway or on-street parking (if allowed). No traffic 8 pm to 6 am. Instructional services (music/dance/tutoring) limited to 5 students. No offensive/nuisance sound, smell, vibration, light, dust. No hazardous materials on premises. Following are not allowed: child-care facilities over 10 children, retail sales, vehicle sales/services including painting vehicles.
