Waste Management provides garbage service weekly for the City of Marble Falls. Please contact them at (800) 800-5804 with any questions or concerns regarding service.

By ordinance, all garbage must be placed inside the cart and securely closed to prevent littering and access by insects, rodents and other animals. Each residence is provided one cart and one recycle bin. The recycling service is provided at no additional charge to the customer; and is collected bi-weekly on your designated trash day.

For commercial trash service, please contact Waste Management directly, at (800) 800-5804, as all commercial accounts are managed by them.
